

Adobe Presenter Installation Instructions for UTMB

Adobe Presenter is only available for Microsoft PowerPoint
Installation

1. **Begin** the [installation at UTMB's Academic Resources](#). **Select** the Licensed Software: **Adobe Presenter** from the left-side menu.

Adobe Connect Pro Software

UTMB has a 250 concurrent user license for Adobe Connect and a 500 author license for Adobe Presenter. The software is distributed by [Academic Resources](#). Registration and installation instructions are linked below. Adobe Connect is web browser and Flash based. All software can be installed from the Connect Server or links below once you obtain your login information. You only need to register once to request an account for Adobe Presenter and Adobe Connect.

Adobe Presenter

Adobe Presenter is an add-on for PowerPoint 2003/2007/2010 that converts PowerPoint presentations to Flash and serves them from the UTMB Adobe Connect server. Registration of Presenter is required to obtain the installation license code. 64 bit Microsoft Office is not supported (64 bit Windows is OK). The Presenter PowerPoint add-in is not compatible with Mac computers.
